

Name:

Date:

Research a scientist activity

Step 1: Choose a famous scientist.

Step 2: Research and respond to the following questions.

Scientist name: _____

Date of birth: _____

Place of birth: _____

Some of their inventions: _____

Some of their jobs: _____

Draw and color some shapes and pictures to represent this famous scientist. For example, you can draw a picture of the scientist, or maybe something that looks like one of their inventions!
